

# Bella VISTA

... as the Spanish say. It's the only word to describe the **Vista**, the new Volkswagen high top from Holdsworth.

Whichever way you look, the **Vista** is cleverly compact, dazzlingly driveable, aesthetically pleasing and affordable.

It's full of Holdsworth innovation – the first compact Volkswagen conversion with its own toilet/washroom for instance. Or the single action 'easy to make' bedmaking mechanism which is easy to make into 6'3" singles.

The typically imaginative interior is good-looking and practical. Beautifully laid out and luxuriously fitted with those Holdsworth standards, quality and safety, built-in. Outside the pleasing Volkswagen lines are matched by smart, modern graphics to make **Vista** look as attractive as it sounds.

All at a competitively affordable price.

See the **Vista** at your Holdsworth dealer now, the view will captivate you.
